

Agency Changes Due to COVID-19

As of March 23th, 2020

Ohio Department of Health

- **Stay at home of place or residence** except for essential activities, essential governmental functions, or to participate in essential businesses and operations
 - **Essential Activities include:**
 - For health and safety
 - For necessary supplies and services
 - For outdoor activity
 - For certain types of work
 - To take care of others
 - **Non-essential business and operations must cease**
 - **Essential Businesses and Operations include:**
 - CISA List (on March 19th the US Department of Homeland Security, Cybersecurity & Infrastructure Agency issued a *Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response*, workers identified in Memo are considered essential)
 - Stores that sell groceries and medicine
 - Food, beverage, and licensed marijuana production and agriculture
 - Organizations that provide charitable and social services
 - Religious entities
 - Media
 - First amendment protected speech
 - Gas stations and businesses needed for transportation
 - Financial and insurance institutions
 - Hardware and supply stores
 - Critical trades
 - Mail, post, shipping, logistics, delivery, and pick-up services
 - Educational institutions
 - Laundry services
 - Restaurants for consumption off-premises
 - Supplies to work from home
 - Supplies for essential businesses and operations
 - Transportation
 - Home-based care and services
 - Residential facilities and shelters
 - Professional services (such as legal services, accounting, insurance, real estate including appraisal and title services)

- Manufacture, distribution, and supply chain for critical products and industries
- Critical labor union functions
- Motels and motels
- Funeral services
- **Social Distancing Requirements**
 - **Required Measures.** Essential businesses and operations must take proactive measures to ensure compliance with Social Distancing Requirements
 - **Designate six-foot distances**
 - **Hand sanitizer and sanitizing products**
 - **Separate operating hours for vulnerable populations**
 - **Online and remote access**

Ohio Department of Job and Family Services

- **Enhanced unemployment aid for Ohioans:** The Governor will issue an executive order, which will grant the Ohio Department of Job and Family Services with the authority to accept and grant requests for unemployment compensation **suspending the normal 1-week waiting period**. This order will also **give relief to applicants who are not offered paid leave through their job**, as well as those who have been quarantined by a medical professional, their employer, or **whose employers must temporarily close**. Those who apply for unemployment under these circumstances **will be exempt from the requirement that they be actively seeking work**.
- www.unemployment.ohio.gov
- **Call center hours have been expanded;** Monday-Friday 7am-7pm, and Saturday 9am-1pm; capacity on the phone lines has been increased and callers are encouraged to stay on the line if you can
- Governor DeWine has directed ODJFS to **create the Pandemic Child Care Center Licensure**
 - If child care facilities are asked to close (NOT YET ASKED TO CLOSE), JFS will immediately begin communicating with providers in the field and Governor DeWine will put together a panel to help create a system to disseminate that order and support to providers

Ohio Department of Rehabilitation and Correction

- All incarcerated individuals will receive: **2 free 5 minute calls per week, free eBooks** through GTL, and **1 free 15 minute video call per week** through JPAY
- **Visiting will be suspended** indefinitely
- **Volunteers entering our facilities will be suspended** indefinitely
- Only mission critical contractors (construction, medical, food service, etc.) will be permitted to enter the facilities; mission critical will be determined by the managing officer
- Staff, mission critical contractors, and attorney **health screenings will begin upon entry** into the facilities

- No outside inmate workers will be in the community; inmate workers will only be permitted on state grounds
- Only mission critical transfers will take place; reception, medical, and security are mission critical
- In-service training will be changed to mission critical only
- CTA trainings will only be mission critical and those necessary for staff to maintain their positions/certificates/licensures

Ohio Department of Education

- **K-12 schools will be closed for at least 3 weeks** (until April 6th)
- School districts' separately are deciding how to offer food to students while schools are closed

Ohio Department of Commerce

- Division of Liquor Control will allow a **bar or restaurant to return unopened high proof products purchased within the past 30 days** as a way to provide economic assistance to bar and restaurant owners during coronavirus (COVID-19) pandemic. This courtesy also extends to those who may have **obtained a temporary permit (F2) for an event, scheduled between March 12, 2020 and April 6, 2020 and that event is now cancelled.** Additional consideration will be given closer to April 6th, 2020 if needed. All a bar/restaurant or F2 permit holder needs to do is bring unopened high proof liquor product back to the Contract Liquor Agency they purchased the product. The Agency will call the Liquor Enterprise Center (LESC) for approval. Approval is immediate, but awareness of the return is necessary. For questions or more information regarding the one-time high proof liquor buy-back, please feel free to contact the LESC at 877-812-0013 or OhioLiquorInfo@com.ohio.gov
- **Restaurants and bars are closed to dine-in customers;** may still be operate as carry-out and/or offer delivery services
- **Salons, barbershops, and spas will be closed** beginning close of business March 18th

Ohio Department of Health and Ohio Department of Veterans Services

- **Regarding Nursing Homes and Assisted Living Facilities in the State of Ohio:**
- Restrict access to all Homes only to those personnel who are absolutely necessary for the operation of the Homes. People who are **“absolutely necessary for the operations of the Homes”** include, but may not be limited to, home staff, contracted and emergency healthcare providers, contractors conducting critical on-site maintenance, and governmental representatives and regulators and their contractors. Included are also **no more than one (1) visitor per resident per day, except for end-of-life situations**

- **Restrict access to all Homes only to those personnel who have been screened for COVID-19 each time they enter the Homes.** Screening guidance is available from the U.S. Centers for Disease Control and Prevention and Centers for Medicare and Medicaid Services, as well as from the Ohio Department of Health. Screening should include questions about exposure to COVID-19 and assessing visitors and personnel for cough, shortness of breath, and body temperatures of 100.4 degrees and higher
- Restrict access to all Homes to as few points of entry as is possible, with the **Ohio Department of Health recommending one (1) point of entry.** This does not apply to emergency ingress or egress of facilities.
- Restrict access to all Homes only to those persons who produce legal federal- or state-issued identification and provide the Homes with business telephone numbers and addresses. It is the responsibility of the Homes to log such information, maintaining it for at least six (6) months.
- Allow residents to **discharge from Homes at any time** and in accordance with applicable state and federal law, understanding that residents that then return to the Homes while this Order is in effect are subject to the directives above.
- Comply with infection control precautions located in Ohio Administrative Code 3701-17-11(D) and 3701-16-12(C)

Ohio Development Services Agency

- Small Business Administration Economic Injury Disaster Loan program will enable small business owners to **apply for low-interest loans to help overcome temporary loss of revenue** due to the COVID-19 outbreak; for more info contact BusinessHelp@Development.Ohio.Gov
- Can also find information at www.sba.gov/disaster

Public Utilities Commission of Ohio

- The Commission **directs all public utilities under its jurisdiction to review their service disconnection policies, practices, and tariff provisions** and to promptly seek any necessary approval **to suspend otherwise applicable requirements** that may impose a service continuity hardship on residential and non-residential customers or create unnecessary COVID-19 risks associated with social contact. **For more information about service disconnection or reconnection, customers should call 1-800-672-2231.**
- **Moratorium on electric and gas disconnections will be continued through May 1st**
- Ohio's electric, natural gas, water & wastewater distribution utilizes to **suspend any in-person meter reading activities, and any other non-essential work**; functions that are necessary to **initiate new service or to ensure the continuity of service should be deemed essential** and should continue during the state of emergency

Other services

- Federal Communications Commission Chairman Ajit Pai introduced a new **broadband and telecom industry** measure on Friday called the Keep Americans Connected Pledge, which is for the next 60 days, **asks that companies not terminate service for residential or small business customers, waive any late fees incurred due to the economic effects of the virus, and open access to public Wi-Fi hotspots** to “any American who needs them.” These are the companies that have taken the pledge in Ohio: AT&T, Cable One, CenturyLink, Charter, Cincinnati Bell, Continental, Comcast, Consolidated Communications, Cox Communications, Frontier, Little Miami, Mediacom, Oakwood, Ohio Rural Broadband Association, Ohio Telecom Association, Sprint, TMobile, TracFone Wireless, US Cellular, Van Lue, Verizon, Windstream. **Contact your provider for more information.**
- The Federal Communications Commission granted Telecommunications Relay Service providers temporary waivers to better enable American Sign Language interpreters to work from home in order to maintain relay services

Ohio Department of Medicaid

- Medicaid **work requirement is NOT** in effect at this time. Those who receive Medicaid are not required to be working during the COVID-19 pandemic.
- There will be an **expansion of telehealth services for both physical and mental health services during public emergencies** so that patients may contact their doctors from home rather than risk going into the office; patients do not need to be established with a doctor to see them via telehealth

City of Columbus
